

NB Private Equity Partners Announces Monthly Net Asset Value Update for August 2010 and Publishes Presentation for Investor Conference Call

9 September 2010

NB Private Equity Partners Limited (“NBPE” or “the Company”), a closed-end private equity fund of funds investment company, today announced an updated Net Asset Value (“NAV”) and published a new presentation for the investor conference call scheduled for Thursday, 9 September 2010.

Monthly NAV Update

As of 31 August 2010, the unaudited net asset value per share was \$9.52, which represents an increase of 0.1% compared to the unaudited net asset value per share of \$9.51 at 31 July 2010.

The value of NBPE’s private equity portfolio as presented in the August 2010 monthly report was based on the following information:

- 22% of the private equity fair value was held in credit-related fund investments that were re-valued as of 31 August 2010
- 10% of the private equity fair value was held in publicly traded securities and new private co-investments that were re-valued as of 31 August 2010
- 67% of the private equity fair value was held in private equity funds and co-investments using valuation information through 30 June 2010
- 1% of the private equity fair value was held in private equity funds and co-investments using valuation information through 31 March 2010

During August, NBPE’s portfolio value increased due to \$0.5 million of unrealized gains on credit-related fund investments as well as \$4.9 million of net realized and unrealized gains that were attributable to the receipt of Q2 2010 valuation information. These gains in value were offset by \$3.2 million of unrealized losses on public equity securities and \$0.5 million of negative foreign exchange adjustments.

NBPE expects to continue to provide regular NAV updates within seven business days of each month’s end.

A breakdown of NBPE’s NAV can be obtained in the August 2010 monthly report, which is published on the Company’s website at www.nbprivateequitypartners.com. The monthly report should be read in conjunction with this announcement.
