² Please refer to the valuation methodology section of the monthly report for a description of the Manager’s valuation methodology. While some valuation data is as of 31 August 2018, 31 July 2018 and 30 June 2018, the Manager’s analysis and historical experience lead the Manager to believe that this approximates fair value at 30 September 2018.

Portfolio Commentary

During September NBPE received \$9.4 million from the direct equity investment portfolio as a result of one full exit and two partial realisations. Counsyl was fully exited as a result of its sale to Myriad Genetics (NASDAQ: MYGN) for cash and stock, which was subsequently sold. The partial sales were of Assurant stock (NYSE: AIZ) and a partial realisation from Final Site. Recent strong liquidity from the fund portfolio continued, with receipts of \$5.2 million from the fund portfolio during the month. Income investments distributed \$1.8 million to NBPE during September, consisting of interest and principal. New Investments in September consisted of one direct equity investment, in Husky Injection Molding Systems, a leading supplier of molding equipment and services to the plastics industry.
