

NB Private Equity Partners Limited – Admission to Official List of UKLA and to Trading on the Premium Segment of the Main Market of the London Stock Exchange

2 May 2017

NB Private Equity Partners Limited (“NBPE” or the “Company”), a closed-end private equity investment company announces that its Class A Shares have today been admitted to the Official List of the UKLA and to trading on the Premium Segment of the Main Market of the London Stock Exchange (“Admission”).

The Company’s transition from the Specialist Fund Segment to the Premium Segment is expected to broaden the appeal of the Class A Shares to a wider range of investors, improve the Company’s ability to market the Class A Shares to retail investors (where appropriate), an increasingly important source of demand for listed private equity funds, and improve liquidity in the Class A Shares.

Furthermore, the Board has taken steps to facilitate the Company’s eligibility for inclusion in the FTSE UK Index Series, which would help raise the Company’s profile in the market. In particular, the Company’s market quote on the London Stock Exchange has been redenominated into Sterling. There will be no changes to the legal form or nature of the Class A Shares nor to the reporting currency of the Company’s financial statements (which will remain in US Dollars) as a result of the London Stock Exchange market quote being in Sterling.

The Class A Shares will continue to be traded on Euronext Amsterdam in US Dollars. The ISIN for the Class A Shares is unchanged (ISIN: GG00B1ZBD492). The ticker on the London Stock Exchange will continue to be “NBPE”.
