

## NB Private Equity Partners Announces its Second 2018 Dividend and Announces New Target Dividend Policy

19 July 2018

### Second 2018 Dividend

NB Private Equity Partners Limited ("NBPE" or the "Company"), a closed-end private equity investment company, today declared the second 2018 semi-annual dividend payment on the Company's class A Ordinary Shares ("Shares") of \$0.28 per Share, to be paid on 31 August 2018. This dividend is a \$0.03 increase from the Company's prior dividend payment.<sup>1</sup> On an annualised basis, this dividend payment represents a dividend yield of 4.1% based on the London Stock Exchange closing price of £10.50 (\$13.70 at GBP/USD exchange rate of \$1.305) on 18 July 2018.

NBPE also announces a target dividend policy as a further enhancement of its ongoing policy of returning capital to shareholders. NBPE intends to target an annualised dividend yield of 3.0% or greater on NAV and plans to continue to make semi-annual payments to shareholders. This dividend yield is a target only, is subject to available capacity and is not guaranteed.

The dividend is payable from income and realisations and is approximately 4.8x covered based on 30 June 2018 YTD cash distributions to NBPE of approximately \$131 million.<sup>2</sup>

While the Company declares dividends in US Dollars, Shareholders will receive Sterling at the prevailing rate at the time of currency conversion, unless an election to receive dividends in US Dollars is made on forms which are available on NBPE's website prior to the currency election date listed below. If an investor has previously elected to receive US Dollars, that election will be used unless changed. Investors who seek capital gains rather than income also have the option of participating in a dividend re-investment plan, forms of which are available on NBPE's website.
