

NB Private Equity Partners Announces the Second 2015 Semi-Annual Dividend

14 July 2015

NB Private Equity Partners Limited (“NBPE” or “the Company”), a closed-end private equity investment company, today declared the second 2015 semi-annual dividend payment on the Company's class A ordinary shares ("Shares") as part of its long-term policy of paying regular dividends.¹

The Board of Directors of NBPE has declared the second 2015 semi-annual dividend payment of \$0.25 to be paid on each Ordinary Share on 27 August 2015. On an annualized basis, this dividend payment represents a dividend yield of 3.4% based on the estimated June 2015 NAV and 4.2% based on the Euronext closing price of \$11.90 on 13 July 2015.

NBPE intends to pay regular, semi-annual dividends to its shareholders and plans to pay this dividend from the cash yield it receives from its income investments. On a pro-forma basis, the dividend is 110% covered by the run rate cash yield from the income investments in the portfolio.² NBPE continues to see a steady flow of new investment opportunities and believes this cash interest coverage of the dividend can be maintained over time.

NBPE's total return NAV per Share increased 4.2% and NAV per Share increased 2.2% for the period ending 30 June 2015, based on the estimated monthly NAV. NBPE continues to execute its strategy of making new equity co-investments and income investments in attractive private equity backed companies. Based on the estimated June 2015 NAV, direct investments total \$634 million and represent 89% of NAV, which includes a total of \$283 million, or 40% of NAV, invested in income investments.

The Company is pleased to announce two additional options for shareholders in relation to the Company's dividend: a Sterling dividend currency election for UK shareholders and a dividend re-investment plan.³ The Manager recognizes certain shareholders would benefit from the ability to receive dividends in Sterling and there are other investors who would prefer to focus on the generation of capital gains by re-investing the dividend proceeds in additional shares. More information on both of these programs can be found under the Dividend Information section of NBPE's website at www.nbprivateequitypartners.com.
