

NB Private Equity Partners Monthly Net Asset Value Update for February 2010

10 March 2010

NB Private Equity Partners Limited (“NBPE” or “the Company”), a closed-end private equity fund of funds investment company, today announced an updated Net Asset Value (“NAV”).

As of 28 February 2010, the unaudited net asset value per share was \$9.46, which represents an increase of 3.7% compared to the unaudited net asset value per share of \$9.12 at 31 January 2010.

NBPE expects to issue its fiscal year 2009 annual report and audited financial statements on 11 March 2010. In addition, NBPE expects to publish an updated investor presentation on its website on 12 March 2010.

The value of NBPE’s private equity portfolio as presented in the February 2010 monthly report was based on the following information:

- 21% of the private equity fair value was held in credit-related fund investments that were re-valued as of 28 February 2010
- 9% of the private equity fair value was held in publicly traded securities that were re-valued as of 28 February 2010
- 53% of the private equity fair value was held in private equity funds using valuation information through 31 December 2009
- 17% of the private equity fair value was held in private co-investments using valuation information through 31 December 2009
- Less than 1% of the private equity fair value was held in private equity funds using valuation information through 30 September 2009

During February, NBPE’s portfolio value increased due to \$0.6 million of unrealized gains on credit-related fund investments and \$0.6 million of unrealized gains related to public equity securities. These gains in value were offset by \$1.0 million of negative foreign exchange adjustments. In addition, net unrealized gains of \$10.5 million were attributable to the receipt of Q4 2009 valuation information for certain fund investments and private co-investments.

NBPE expects to continue to provide regular NAV updates within seven business days of each month’s end.

A breakdown of NBPE’s NAV can be obtained in the February 2010 monthly report, which is published on the Company’s website at www.nbprivateequitypartners.com. The monthly report should be read in conjunction with this announcement.
