

## **NB Private Equity Partners Announces Extension to Share Buy-Back Programme**

30 November 2011

NB Private Equity Partners Limited ("NBPE" or "the Company"), a closed-end private equity fund of funds investment company, today announces the extension of the share buy-back programme (the "Programme") that was implemented with effect from 22 October 2010. The Programme, which was due to expire on 30 November 2011, was designed with the objective of implementing the capital return policy announced by the Company on 15 October 2010. The Board believe that it is in the interests of shareholders in the Company to extend the term of the Programme to 31 March 2012. The other terms and conditions of the Programme will not be amended in any way.

NBPE has appointed The Royal Bank of Scotland N.V. (London Branch) and The Royal Bank of Scotland plc (together, "RBS") to manage the Programme and authorised RBS to effect on-market repurchases of class A ordinary shares ("Shares") on behalf of the Company on Euronext Amsterdam and/or the Specialist Fund Market of the London Stock Exchange plc (each an "Exchange").

Pursuant to and during the term of the Programme, RBS may independently of, and without influence by NBPE, purchase Shares from time to time at its absolute discretion provided that:

- i) the maximum price payable for a Share on an Exchange may not exceed the higher of (i) the price of the last independent trade; and (ii) the highest current independent bid, in each case with respect to the Shares on the relevant Exchange; and
- ii) the aggregate number of Shares which may be acquired on behalf of the Company in connection with the Programme (inclusive of any Shares repurchased by the Company prior to the date of this announcement) shall not exceed 6,776,250 (representing 12.5% of the Company's issued share capital as at the date of this announcement).

4,789,831 Shares have been bought back by the Company to the date of this announcement, representing 8.8% of the issued share capital of the Company.

Share buy-backs under the Programme will be made pursuant to the shareholder authority granted to the Company at the Annual General Meeting held on 16 May 2011, as detailed in the announcement made by the Company on 16 May 2011.

Due to the limited liquidity in the Shares, a buy-back of Shares pursuant to the Programme on any trading day is likely to represent a significant proportion of the daily trading volume in the Shares on the relevant Exchange (and is likely to materially exceed the 25% and 50% limits of the average daily trading volume during September 2010 as referred to in the Commission Regulation (EC) No. 2273/2003 on buy-back programmes).

NBPE will continue to make a public announcement of any market repurchase of Shares no later than 7:30a.m. (London time)/8:30a.m. (Amsterdam time) on the business day following the calendar day on which the repurchase occurred. Shares bought back under the Programme will be cancelled.
