Portfolio Valuation

The value of NBPE’s private equity portfolio as presented in the March 2015 monthly report was based on the following information:

- 52% of the private equity fair value was valued as of 31 March 2015
 - 40% in private direct investments based on Q1 2015 valuation information
 - 9% in public securities
 - 3% in credit-related fund investments
- 2% in private direct investments was valued as of 28 February 2015
- 46% of the private equity fair value was valued as of 31 December 2014
 - 26% in private direct investments based on Q4 2014 valuation information
 - 20% in fund investments based on Q4 2014 valuation information

Please refer to the valuation methodology section of the monthly report for a description of our valuation policy. While some valuation data is as of 28 February 2015 and 31 December 2014, our analysis and historical experience lead us to believe that this approximates fair value at 31 March 2015.

During the month of March, NBPE's aggregate trading volume on Euronext Amsterdam, the London Stock Exchange, and over-the-counter trading platforms was 1,535,177 Class A ordinary shares, which represents an average daily trading volume of approximately 69,781 Class A ordinary shares.

NBPE expects to continue to provide regular NAV updates within seven business days of each month's end. A breakdown of NBPE's NAV can be obtained in the March 2015 monthly report, which is published on NBPE's website at www.nbprivateequitypartners.com. The monthly report should be read in conjunction with this announcement.

NBPE expects to issue its quarterly report for the three month period ended 31 March 2015 in May. The quarterly report will include unaudited financial information prepared in accordance with accounting principles generally accepted in the United States. NBPE is required to consider, and will consider, all known material information in preparing such interim financial report, including information that may become known subsequent to the issuance of this monthly report. Accordingly, amounts included in the quarterly report may differ from this monthly report.
