<sup>2</sup> Please refer to the valuation methodology section of the interim report for a description of our valuation policy. While some valuation data is as of 31 October and 30 September 2015, our analysis and historical experience lead us to believe that this approximates fair value at 30 November 2015.

### Portfolio commentary

During November, distribution activity remained strong as a result of three equity co-investment realisations. In terms of new investments, after returns of capital, NBPE funded net contributions of \$9.2 million including \$11.5 million to the second lien debt in Syncsort, a big data software company, and additional purchases of small business loans, originated through OnDeck Capital and Funding Circle. There was also \$0.7 million of contributions to fund investments.

NBPE received \$10.9 million from equity co-investments, primarily driven by the fourth partial realisation of Sabre public shares, and the full realisation of Compass Auto Group. In addition, NBPE received cash proceeds from a partial realisation from Group Ark. There was approximately \$3.3 million received from income investments consisting of principal and interest. NBPE also received \$6.2 million from fund investments, primarily from fund of funds investments.
