EQUITY EXITS & UPLIFT

NBPE has seen strong exits and valuation uplift relative to carrying values

^{1.} As of 30 November 2017. Includes full exits only. Excludes partial exits, recapitalisations and IPOs until the stock is fully exited. Year represents the year of final exit. Exit year for public companies determined by the date of the final cash flow. Proceeds include funds that are currently in escrow, but are expected to be received. Returns are presented on a "gross" basis (i.e. they do not reflect the management fees, carried interest, transaction costs and other expenses that may be paid by investors, which may be significant and may lower returns).

^{2.} As of 30 November 2017. Analysis includes six IPOs, one partial exit, and nineteen full direct equity investment exits since January 2015. For investments which completed an IPO, the value is based on the closing share price on the IPO date; however NBPE remains subject to customary IPO lockup restrictions. Returns are presented on a "gross" basis (i.e. they do not reflect the management fees, carried interest, transaction costs and other expenses that may be paid by investors, which may be significant and may lower returns).

CASE STUDY: VERTIV

Acquisition of Network Power business from Emerson alongside Platinum Equity

SUMMARY

Investment date	November 2016
Lead investor	Platinum Equity
Industry	Industrials
Sourcing	NB Private Equity Relationship

COMPANY OVERVIEW

- Platinum Equity acquired the Network Power business from Emerson and rebranded as Vertiv
- Vertiv (FKA Emerson) provides mission-critical infrastructure technologies for vital applications in data centers, communication networks, and commercial and industrial environments
 - Major customers include AT&T, China Mobile, Microsoft, Ericsson and Facebook
- Vertiv is headquartered in Ohio and has ~20,000 employees worldwide

INVESTMENT THESIS

- Build on broad portfolio offering: product and services for power, thermal and IT management capabilities
- Drive transformation: emphasise growth, speed, agility, and profitability
- Identify and purse add-ons: rationalise complex systems landscape through multiple acquisitions

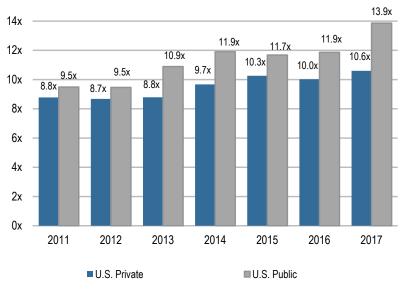

INVESTMENT UPDATE

- Focus on operational, financial and M&A capabilities to support growth and innovation
- Sale of ASCO division to Schneider Electric in July 2017 for \$1.25 billion to help position Vertiv for a greater focus on core business

NBPE – EFFICIENT PRIVATE EQUITY

We believe NBPE offers access to a diverse private equity and income portfolio at a lower cost than many other listed private equity vehicles

Listed Fund of Funds

- · Charge double layer of fees
 - Often 1.5% 2.0% management fee on committed capital and 20% carry at the underlying fund level in addition to fund of funds fees & carry
- · Hyper-diversified portfolios
- Potential for significant capital structure risk from any over commitment strategy and / or return dilution from cash drag

Listed Direct Funds

- Single layer of fees, but at a higher level
 - 1.5% management fee on NAV (or NAV + committed capital) and 15 20% carry
- Concentrated lead manager risk and often more concentrated portfolio
- · Multiple "direct" vehicles invest in third party funds and have multiple layers of fees
- Single layer of fees on direct investments

NBPE

- 1.5% on NAV and 7.5% performance fee
- Appropriately diversified with multiple top tier managers
- · Low over commitment risk

ATTRACTIVE VALUE PROPOSITION

We believe NBPE offers a compelling investment opportunity

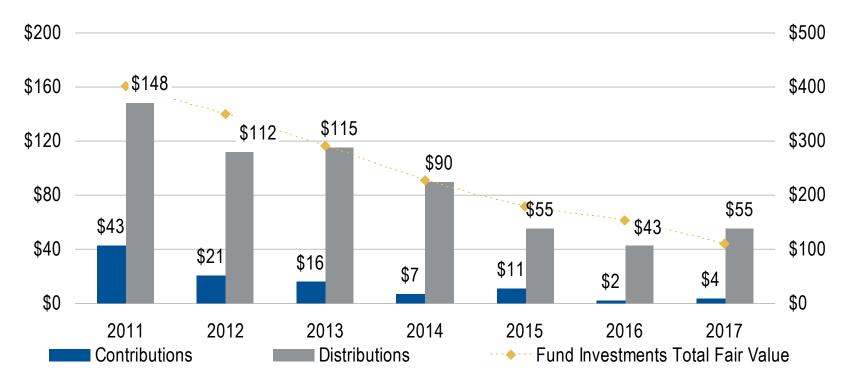

- · Capital appreciation and growth from equity investments
- · Income through an attractive dividend, supported by the cash yield from the income portfolio and investment realisations
- Strong capital structure and commitment coverage
- Private equity exposure with attractive fee structure direct investments in portfolio typically feature lower all-in fees than investing directly into LP funds

ENDNOTES

- 1. The diversification analysis by geography, industry and vintage is based on the fair value of underlying fund investments and direct/co-investments; the diversification analysis for company size is based on the fair value of the underlying direct/co-investments and the fair value of funds with a focus on the company size described. Determinations regarding geography, industry, vintage and company size represent the Investment Manager's estimates. Accordingly, the actual diversification of our investment portfolio and the diversification of our investment portfolio on an ongoing basis may vary from the foregoing information.
- 2. Guidance regarding NBPE's future portfolio and performance is a target only and not a profit forecast. There can be no assurance that this target will be met or that the Company will make any future distributions whatsoever. Any such changes will be notified to shareholders through a regulatory information service. NBPE's Board of Directors will continue to evaluate the Company's financial position, annual dividend target and the timing of future dividends. Future dividend payments will be announced by NBPE after the Board of Directors have completed such evaluation.
- 3. Yield to maturities represent the return (IRR) from this reporting period to maturity of the investment. Includes a portfolio of small business loans at an interest rate at least at the rate stated above but not included in the yield calculations. The Taylor Precision Products debt notes currently pay 13% cash, but issuer has the option to pay 11% and 2% PIK.
- 4. Actual unfunded commitments are \$240.8 million at 30 November 2017, corresponding to actual over commitment of \$129.4 million and an actual commitment coverage ratio of 46.3%. Unfunded adjustments include removing unfunded commitments to funds past their investment period (although some amount may be called for future follow-ons or expenses), and amounts which can be terminated by NBPE if it so chooses.

LEGAL DISCLAIMER

THIS DOCUMENT, ANY PRESENTATION MADE IN CONJUNCTION WITH THIS DOCUMENT AND ANY ACCOMPANYING MATERIALS (THE "INVESTOR MATERIALS") ARE STRICTLY CONFIDENTIAL AND MAY NOT BE COPIED, DISTRIBUTED, PUBLISHED OR REPRODUCED IN WHOLE OR IN PART, OR DISCLOSED OR DISTRIBUTED BY RECIPIENTS TO ANY OTHER PERSON. ANY RECIPIENT OF THE INVESTOR MATERIALS AGREES TO KEEP PERMANENTLY CONFIDENTIAL ALL INFORMATION THEREIN NOT ALREADY IN THE PUBLIC DOMAIN.

The Investor Materials are not for release, publication or distribution (directly or indirectly) in or into the United States, Canada, Australia, Japan, the Republic of South Africa or to any "US person" as defined in Regulation S under the United States Securities Act of 1933, as amended (the "Securities Act") or into any other jurisdiction where applicable laws prohibit their release, distribution or publication. They do not constitute an offer of securities for sale anywhere in the world, including in or into the United States, Canada, Australia Japan or the Republic of South Africa. No recipient may distribute, or make available, the Investor Materials (directly or indirectly) to any other person. Recipients of the Investor Materials should inform themselves about and observe any applicable legal requirements in their jurisdictions. In particular, the distribution of the Investor Materials may in certain jurisdictions be restricted by law. Accordingly, recipients represent that they are able to receive the Investor Materials without contravention of any applicable legal or regulatory restrictions in the jurisdiction in which they reside or conduct business.

The Investor Materials have been prepared by NB Private Equity Partners Limited ("NBPE") and NB Alternatives Advisers LLC (the "Investment Manager"). No member of the Neuberger Berman Group nor any of their respective directors, officers, employees, advisors, representatives, or other agents makes or has been authorised to make any representation or warranties (express or implied) in relation to NBPE or as to the truth, accuracy or completeness of the Investor Materials, or any other written or oral statement provided, or any information on which the Investor Materials is based (including, without limitation, information obtained from third parties) or any other information or representations supplied or made in connection with the Investor Materials or as to the reasonableness of any projections which the Investor Materials contain. The aforementioned persons disclaim any and all responsibility and liability whatsoever, whether arising in tort, contract or otherwise, for any errors, omissions or inaccuracies in such information or opinions or for any loss, cost or damage suffered or incurred howsoever arising, directly or indirectly, from any use of the Investor Materials or their contents by the recipient or any other person or otherwise in connection with the Investor Materials. Persons receiving or reviewing the Investor Materials must make all trading and investment decisions in reliance on their own judgement. No statement in the Investor Materials is intended to be nor may be construed as a profit forecast.

In particular, no representation or warranty is given as to the achievement or reasonableness of, and no reliance should be placed on any projections, targets, estimates or forecasts contained in the Investor Materials and nothing in the Investor Materials is or should be relied on as a promise or representation as to the future. The name "Neuberger Berman" is used interchangeably throughout these materials for a number of entities that are part of, or are associated with, the Neuberger Berman Group and when used in this notice includes all such entities.

This Investor Materials do not constitute a prospectus or offering memorandum or an offer in respect of any securities and are not intended to provide the basis for any decision in respect of NBPE or other evaluation of any securities of NBPE or any other entity and should not be considered as a recommendation that any investor should subscribe for or purchase any such securities or engage in any investment activity (as defined in the Financial Services and Markets Act 2000 ("FSMA")) in any jurisdiction nor shall they, or any part of them, or the fact of their distribution in any manner whatsoever form the basis of, or be relied on in connection with, any contract or investment decision whatsoever, in any jurisdiction. Neither the issue of the Investor Materials nor any part of their contents constitutes an offer to sell or invitation to purchase any securities of NBPE and no information set out in the Investor Materials or referred to in other written or oral information is intended to form the basis of any contract of sale, investment decision or any decision to purchase any securities referred to in it.

The information contained in the Investor Materials is given as at the date of its publication (unless otherwise marked) and is subject to updating, revision and amendment. No reliance may be placed for any purpose whatsoever on the information of opinions contained in the Investor Materials or on their completeness, accuracy or fairness. The contents of the Investor Materials have not been approved by any competent regulatory or supervisory authority. The Investor Materials are not intended to be complete or to constitute all of the information necessary to adequately evaluate the consequences of investing in NBPE. The contents of the Investor Materials have not been approved (in whole or any part) by any competent regulatory or supervisory authority.

The Investor Materials are made available for information purposes only. The Investor Materials, which are not a prospectus or listing particulars or an admission document, do not contain any representations, do not constitute or form part of any offer or invitation to sell or transfer, or to underwrite, subscribe for or acquire, any shares or other securities, and do not constitute or form any part of any solicitation of any such offer or invitation, nor shall they are or any part of them or the fact of their distribution form the basis of or be relied upon in connection with any contract therefore, and do not constitute a recommendation regarding the securities of NBPE.

Neither NBPE nor Neuberger Berman gives any undertaking to provide the recipient with access to any additional information, or to update the Investor Materials or any additional information, or to correct any inaccuracies in them which may become apparent and the distribution of the Investor Materials shall not be deemed to be any form of commitment on the part of NBPE, the Investment Manager or Neuberger Berman to proceed with any transaction.
